

**Dates: 26 February – 8 March 24**

**Location: The United Nations Global Service Centre, Brindisi, Italy**

## **UN Pilot Course on Addressing Mis- and Disinformation for military and police in Peace Operations , 26 February – 08 March 2024**

---

### **Aim and Objectives:**

This pilot course aims to validate the draft content of the Reinforcement Training Package on Addressing Mis- and Disinformation in Peace Operations which have been developed through collaboration with Subject-Matter-Experts from UN Member States and UN Headquarters. The primary objective of this reinforcement training package is to provide Troop/Police Contributing Countries with standardized training materials, which can be incorporated into pre-deployment training, to support the mission's efforts in addressing mis- and disinformation and enhancing safety and security of deployed contingents and personnel in UN Peacekeeping Operations.

---

**Call for Nominations:** Deadline for the registration to be submitted – 20 December 2023

---

### **Target Audience:**

Subject-Matter-Experts should possess sound expertise in cyber defense, with a particular focus on identifying and assessing mis- and disinformation narratives at the tactical level. Previous experience in strategic communication and UN Peacekeeping would be highly desirable.
