Curriculum Development Workshop on UNPOL Middle-Management Course

Aim and Objectives:

The workshop aims to develop the United Nations Police Middle-management course (UNPMMC) to enhance professional knowledge and leadership skills for Police officers deployed in a middle management/command capacity in the United Nations environment. On completion, the course will fill the leadership training gap within the UNPOL Training Architecture addressing operational/tactical levels of officers deployed into UN field Missions.

Call for Nominations: Deadline for the registration to be submitted – 08 March 2024

Target Audience:

The workshop will be organized through the internal United Nations Curriculum Development Group (CDG) mechanism led by PD and ITS, in coordination with the main stakeholders, including UNITAR, OHCHR and Member States representatives.
