UN Certified Instructor Development course for the Job-Specific Training programs on COP, Police MMA and Police CBD

Aim and Objectives:

The aim of the course is to strengthen the capacity of Member States in delivering the newly developed training programs, namely MMA, COP and/or CBD, and to develop a pool of United Nations-certified instructors in the Americas region.

The main objectives of the course are to familiarise participants with the Job Specific Materials on Community-Oriented Policing (COP), Police Monitoring, Mentoring and Advising (MMA), and Police Capacity-Building and Development (CBD), and to identify qualified trainers to assist ITS and PD in the further roll out of this training programs in the international and national and/or regional level.

Target Audience:

The training officers engaged in delivering UN peacekeeping training for Individual Police Officers (IPOs) with significant training experience and fully fluent in English.
