**Location: El Pardo DoubleTree by Hilton Hotel, Lima, Peru**

## **United Nations Operational Logistics TOT Course – 13 Nov 2023**

### **Aim and Objectives:**

The aim of this TOT course is to qualify Member State trainers to deliver training to UN standards on Operational Logistics in UN Peacekeeping. The training objectives of the course are:

- To assess participants on their training delivery skills on the UN logistics training package.
- Understand the policies directing the employment of logistic support and the respective command and control elements of various assets and manage logistic capabilities appropriately.
- Ensure rapid integration into the extant mission structure, provide meaningful subject matter advice, and thus contribute effectively to achieving the mandate.

**Call for Nominations:** Deadline for the registration to be submitted – 2 Oct 2023

### **Target Audience:**

The target audience for this course should comprise of logistics trainers, planners and commanders who are or yet to be deployed in the mission and as trainers at the national PDT center. In order to be selected for this training, participant should be Logistics Officer or employed as a trainer, completed a United Nations Staff Officer Course (UNSOC) or national basic military staff course or its equivalent and be of the rank of Captain to Lieutenant-Colonel or equivalent rank.
