Training Course on Child Protection for the UN Military

Aim and Objectives:

The course aims to disseminate the 'Reinforcement Training Package on Child Protection for the United Nations Military', including specifications on how to roll out the training package to Member State training institutions, to military trainers from troop-contributing countries (TCCs) and to the military Child Protection Advisers or Focal Points, military Gender Advisers or Military Protection Advisers from UN peacekeeping operations.

Call for Nominations: Deadline for the registration to be submitted – 14 July 2023.

Target Audience:

National training officers from top TCCs, who are employed as peacekeeping pre-deployment training instructors or working on peacekeeping training in the national military training system, with at least six months of experience in UN peacekeeping operations. Current and deploying military Child Protection Advisers or Focal Points, military Gender Advisers or Military Protection Advisers at Force Headquarters and Sector level.
