

Dates: 22 July to 02 August 2024

Location: The Peacekeeping Operations Center, Nonsan, the Republic of Korea

United Nations Force Protection Training of Trainers Course, 22 July to 02 August 2024

Aim and Objectives:

The UN Force Protection Reinforcement Training Package combines the conceptual, legal, and operational frameworks essential for the tactical planning of force protection to preserve the operational capabilities of military and police units while enhancing the safety and security of personnel. The material places significant emphasis on issues of paramount importance for the safety and security of peacekeepers, including protection against IEDs and cyber threats. The objective of this Training of Trainer Course is to enhance the capacity of UN Member States to deliver the reinforcement training package to military and police units for deployment in United Nations peacekeeping missions.

Call for Nominations: The deadline for the registration to be submitted – 01 June 2024

Target Audience:

Military officers should hold the ranks of Captain to Lieutenant Colonel (or equivalent) and possess relevant experience in training and commanding military units in UN peacekeeping operations.

Police officers should hold the rank of Superintendent (or equivalent) and possess relevant experience in training and commanding formed police units in UN peacekeeping operations.
