UNPOL Certified Instructor Job-specific Training of Trainers Course

Aim and Objectives:

The aim of the Training-of-trainers (ToT) course is to identify competent trainers from Member States to be certified into the pool of UN trainers for the delivery of the Job-specific Training courses in: 'Monitoring Mentoring and Advising', 'Community-oriented Policing' and 'Capacity Building and Development' Modules (MMA/COP/CBD). These certified trainers will hence deliver the courses in their National and Regional settings to enhance performance of the UNPOL officers deployed in UN peace operations.

Call for Nominations: Deadline for the registration to be submitted – 15 March 2024

Target Audience:

All police officers who qualify to deploy as IPOs with strong training background especially in Core Pre-deployment Training Materials (CPTM) and Specialised Training Materials (STM) in English language and desirably having Peacekeeping/Peace Support operations experience
