Model A

Model B

Model C

For U-engineering there is a model A, B or hybrid of both to suit the Mission / EOD requirements

Lesson 3.1 Take Away

The need for clear and well understood C2 relationship between all entities employing and working along side MILEOD along with an EOD focal point

Each UN Mission is unique and the relationship that a MILEOD has with the Mission will be codified in CONOPs, Force Requirements ,TCC MOU and SOFA, there are three C2 generic models for the MILEOD to be integrated into a UN HQ structure.
