

Comprehensive Protection of Civilians Scenario Based Exercise

SBE TTX Objectives

- a) Reinforce the knowledge acquired during the delivery of the CPOC conceptual, legal and operational modules;
- b) Use the knowledge gained to solve a scenario based on real-life events encountered in UN peacekeeping missions;
- c) Incorporate CPOC considerations into unit/individual's existing decision-making planning methods.

Sector HQ WARNO 01/20xx

2. MISSION

UNAC Sector 2 units are to establish and maintain a safe and secure environment in their AORs in accordance to UNSCR 1544, including all necessary actions, up to and including the use of deadly force, aimed at preventing or responding to threats of physical violence against civilians, within capabilities and areas of operations, and without prejudice to the responsibility of the host government to protect its civilians. The execution of this mission aims to provide all necessary support that will lead to the restoration of stability in Carana.

Sector HQ WARNO 01/20xx

3. EXECUTION

a. COMMANDER'S INTENT

To ensure the effective protection of civilians under threat of physical violence emanating from any armed group (Tier II), we need to effectively generate, and rehearse tactical plans under all phases of response. In addition, all military units should be ready to support and enable other protection partners in resolving their protection imperatives (Tier I&II).

Sector HQ WARNO 01/20xx

Cont.

Battalion Commanders to conduct a **Mission Analysis** for your AOR and brief **this SHQ on DDMMYY at 0930H** on the **Risk Analysis** of the **threat** identified in your AOR, a summary of possible **COAs** in all phases of response and additional resources you may need to execute your operations.
