

### Lesson 3.2 – Plan UN-EP Activities

#### LEARNING ACTIVITY – Engagement Effects

---

The UN-ET has been tasked to engage the communities in the area of NAHERI to secure local freedom of movement. Based on the EET provided, and the scenario on the next slide, determine which you will use to construct your engagement plan. Be prepared to explain and justify your rationale.

1. Engagement Effects
2. Engagement Objectives
3. Information Requirements
4. Mission Stakeholders, and
5. Key Messages and Themes

1. The UN peacekeeping mission has all along faced the problem of dealing with non-state actors or belligerents operating outside the bounds of the Kalari Agreement. These belligerents oppose the presence of UN forces in their areas. This problem is particularly acute in the unstable LEPPKO province. Reliable source has confirmed that a rebel ex-combatant, has established an independent force consisting of approximately 20 soldiers and partisans. ZED has just proclaimed authority near the village of NAHERI, which he intends to control and defend. He has forbidden the UN from entering this area, impacting travel and has forced the displacement of villagers in the area. He has stated publicly that he will not guarantee the safety of any UN or international staff.

2. CARANA has stated that the Government will wait and see, but they are supportive of UN action and engagement with ZED and his followers. For their part, the MPC announced that it expected all parties to abide by the Kalari Treaty and participate in the DDR process.

3. This is affecting the freedom of movement of the local populations in the area.
